Your guide to
Erewash Community Safety Partnership
priorities for 2010-2011

Erewash Community Safety Partnership is a group of organisations that have a statutory duty in law to work together to tackle crime, re-offending and anti-social behaviour. In Erewash these are:

- Derbyshire Police;
- Erewash Borough Council;
- Derbyshire County Council;
- Derbyshire Fire & Rescue Service;
- Derbyshire Police Authority;
- Derbyshire Probation Service; and,
- Derbyshire Primary Care Trust.

Other organisations also involved in the partnership and work together include:

- Derbyshire Drug & Alcohol Action Team;
- Derbyshire Youth Offending Team;
- Derbyshire Youth Service;
- Local businesses including Pub Watch and Shop Watch;
- Derbyshire Connexions;
- Local Parish Councils;
- Neighbourhood Watch Association; and,
- Housing Associations including Three Valleys & Spiritia.

These are just a few of the organisations that we work with to try and make your neighbourhood safer. We will also work closely with you as residents to try and solve any local concerns you may have.

Our vision is to:

“Work together to reduce crime, re-offending and anti-social behaviour to improve the quality of life for you and your community” to make Erewash a place in which people have pride and where they choose to live, work and play.

Following an assessment of crime, reoffending and anti-social behaviour data for Erewash, and listening to what you and our partners have told us, Erewash Community Safety Partnership has identified the following as priorities for this year.

Our Priorities for 2010-2011

Anti-Social Behaviour

Fear of Crime

Acquisitive Crime

Violent Crime including Domestic Abuse

Improving partnership working

This means that we will take action together to try and tackle these priorities and let you know what we are doing.

Erewash Borough Council & Derbyshire Police are working together to make your neighbourhood safer.
