

DERBYSHIRE DOMESTIC ABUSE SERVICES DIRECTORY
HIGH RISK INDEPENDENT DOMESTIC ABUSE ADVISOR SERVICES

This is a directory which outlines the domestic abuse services that are available in certain areas throughout Derbyshire. For ease of access, the DA Service Directory has been split into sections which show the type of domestic abuse support available in Derbyshire, as follows:

- Accommodation / Accommodation-based Support
- Community Outreach Support - Adults
- Children and Young People's Support
- High Risk Independent Domestic Abuse Advisor Services (this document)
- Perpetrator Interventions
- Target Hardening
- Training and Development

The Derbyshire DA Service Directory will be regularly updated to ensure that it remains current, with additional services added as required. Therefore, it is recommended that the DA Service Directory is not saved on file but, instead, accessed via the link on the Safer Derbyshire website each time.

Should it be apparent that the Derbyshire DA Service Directory requires further additions or amendments, please email community.safety@derbyshire.gov.uk so that the directory can be updated as quickly as possible. Please note, some service descriptions may appear more than once due to being repeated under different sections of the directory.

HIGH RISK INDEPENDENT DOMESTIC ABUSE ADVISOR SERVICES

Organisation Name	Glow									
Name of Service / Project	IDVA – Derbyshire (City & County)									
Description	The IDVA provision provides a service to male & female high-risk victims of domestic abuse residing in the Derbyshire area who are at risk of harm from intimate partners, ex-partners or family members. IDVAs provide support to secure their safety and the safety of their children. Referrals for victims usually score 14+ on Domestic Abuse Stalking and Honour (DASH) risk assessment but can also be referred to MARAC & IDVA on professional judgement. The service accepts professional and partner agency referrals only and doesn't hold a waiting list. IDVA's have the experience, skills and knowledge to support clients and help to manage and reduce risk. An IDVA can help with the following: • Creating safety plans and undertaking risk assessments. • Representation at MARAC, including feedback from meetings • Court support (criminal and family proceedings) • Supporting clients to give evidence and write victim impact statements. • Assisting clients in securing their property. • Providing practical and emotional support to clients -including signposting or referring to other specialist services according to individual need • Liaise with statutory and non-statutory services including Police, Social Care, Housing and others which form a part of the victim's safety and support plan. • Specialist IDVA supporting victims from diverse and minoritised communities • Health IDVA working in the local hospitals • Stalking advocacy (DA and non-DA, however non-DA support limited to Derby City only)

Organisation Name	Salcare									
Name of Service / Project	CYPIDVA (Children & Young Peoples IDVA)									
Description	Part of the Escape team, the CYPIDVA (Children & Young Peoples IDVA), provides higher risk children and young people aged 6 -17 with domestic abuse support. The CYPIDVA offers age-appropriate domestic abuse awareness and safety planning to incorporate the different risks posed to children and young people in today's multi-media society. The CYPIDVA works with young people aged between 6 -17 years who are experiencing serious harm from intimate partner violence and domestic abuse. They offer a trauma informed, needs led, risk assessed service, which is CYP centred, working proactively with other local agencies and professionals, to ensure that they receive integrated and seamless multiagency support. They provide advocacy, emotional and practical support and information to victims to address these needs as well as undertake safety planning with victims, developing an individual service/care plan to reduce the identified risks. The CYPIDVA also acts as a champion for children & young people by raising awareness of the adverse impact such abuse has on them.
