Hand car washes are on thousands of high streets across Britain, many of them are legitimate businesses, but some of them are hiding a dirty secret: **modern slavery**.

Use these signs to see if modern slavery could be present in your local hand car wash. If you see the signs call the Modern Slavery Helpline on **08000 121 700**.

Do the workers have access to suitable clothing? Look out for gloves and boots.

Is there evidence of workers living on site? Can you see a caravan or bedding?

Does anyone appear controlling or intimidating?

Does the body language of the workers appear withdrawn or fearful?

Do not confront anyone at the hand car wash and make sure you are in a safe place before making the call. If someone is in immediate danger then call **999**.

Do there appear to be minors working at the car wash?

Did you pay less than £6.70 for the car wash?

Does the car wash only accept cash?

Did they offer a receipt?

Did you have to pay the manager?
